Patron's Message

Sports and Games play an important part in the development of physique as well as personality of a person. It is, therefore, fitting that Delhi Association of the Deaf which places added emphasis on the deaf people's all round growth and development, is at the fore front in inculcating spirit of sportsmanship among its members by organizing games and sports.

An element of competition spurs a person to put in extra efforts with a view to remain ahead of others. Championships and annual sports meets provide the element of competition.

I, therefore, laud the efforts that the Association is making to provide a level playing field to all deaf person to prove their mettle and earn laurels.

34th Delhi Games of the Deaf being held on 4th Feb. 2006 at Jawaharlal Nehru Stadium, New Delhi will no doubt be another mile stone in Association's sports promotion activities.

I wish the event unqualified success and conclude by saying - May the best person with.

(Rajiv Pratap Rudy)

Hony. Sports Secretary's Report

I am grateful for yet another opportunity as Hony. Sports Secretary to supervise the sports activities of the Association and also to present this report. Sadly, due to unavoidable domestic circumstances, I could not give my best to the responsibilities entrusted to me. However, within my limitations, I have done whatever was possible for me to do and I am hopeful that during the days ahead, I shall be able to do better.

As regards to Association's sports activities, these remain under pressure for want of suitable ground. We have all the equipment but lack speed due to the fact that most of our members are scattered at great distances from free play grounds and by the time they reach these free grounds others are already there busy playing their games. So we have to do with what so ever we can manage to get hold of.

Association had suggested that some centrally located ground like Talkatora Park in New Delhi should be reserved exclusively for the persons with disabilities, at the least once a month in the morning. We are along with others NGOs working for the welfare of the persons with disabilities, again taking up the matter with the authorities concerned. Hopefully, this will be done and we shall be able to arrange our sports and games better.

As for the Association's participation in national events and performance there at, it is fully well known that in an unkindest cut, the hand that fed it, has been bitten by the monopolistic apex sports organization. It has to be remembered that it was this Association which helped form this organization, nurtured and nourished it during its early formative years and differences notwithstanding while there was an educated and erudite person at the helm of its affairs, the Association continued to be part and parcel of the organization which it had fathered.

However, when nit wit, self centered tin pot dictators took over the very first thing that was done was to disaffiliate this Association and accord affiliation to a break away faction of our own Association who though eager to rule the roost have neither the support nor camp followers among our ranks. Since they have no members, they have lured Association's members by enticing them with lucre. It is Association's original members that the pretender is passing on as its own while fielding them at national events.

Any way, these illegalities have been challenged in a court of law and the matter being subjudice, nothing more is being written at this stage except saying that ultimately truth will triumph.

Thus, though while Association could not send Delhi State contingents for participation in the nationals, it has the satisfaction that all those our members who were sent by the pretender organization that exists only on paper and is a pocket edition of powers that be, are in reality Association's own members first.

To cut a long story short, while no teams could be fielded by the Association in its name in nationals, it organized 33rd Delhi Games of the Deaf on 16-2-05. As the normal venue of our Games, Jawaharlal Nehru Stadium was under repair and out of bounds, 33rd Delhi Games of the Delhi were organized at Chhatrashal Stadium, Model Town-III, Delhi. It was a gala event and many state level records tumbled. The turn out was one of the largest in the recent past.

As already explained at the out set, I could not devote much time on sports promotion and so Zonal Championships could not be organized. We plan to organize these during the remaining period of the current year.

We have been fortunate enough to receive unstinted support from our patrons like Pepsi Foods Ltd., Britania Ltd., Oriental Insurance Co. Ltd. as also advertisers and donors. In return, we can only offer our heart felt thanks and therefore-say THANK YOU ALL.
