Chairman,(DAD)

**Chairman,
Organizing Committee's Message**

Sports & Games play an important part in the development of a person's personality. These ensure physical growth and contribute in a big way to the health and well-being of a person.

Our Association has, therefore, been placing utmost importance on sports and games. In fact from its very inception, Association has been organizing, periodically, sports meets and championships for various games.

It is, thus, keeping up its tradition by organizing 41st Delhi Games of the Deaf on 7th February, 2014 at Jawaharlal Nehru Stadium, New Delhi.

I am confident that participants will put up a good show and win laurels. I wish them all success.

Unhappily, as I shall be out of country on these days, I shall miss this event, but my good wishes will remain with participants.

(RAJENDRA GUPTA)

Hony. Sports Secretary's Report

We March on Undeterred

Those who thought that by withdrawing affiliation from our Association, our sports activities would come to a standstill have miscalculated our commitment and enthusiasm for sports. Not only has the Association been active in the field and maintained earlier standards and facilities but has spread its wings by organizing Zonal meets and is now poised for a debut on the national stage by hosting all India level events.

During the year under review, our Association continued to arrange games for our members on Sundays and holidays and provide them all possible help and assistance. Apart from this regular feature, Association has been very active and participated/fielded its teams in some of the following event:

10th Chess Tournament of the Deaf

Silent Sports Promotion Society, a sister organization held the 10th Chess Tournament of the Deaf at New Delhi in November, 2013. A large number of our members participated and our team got the third position and our member Shri Dinesh Sobti and Mrs. Bimla Sharma was adjudged the best player of all.

13th Delhi Development Authority Cricket Tournament of the Deaf

Like earlier years, Association fielded its team in the 13th DDA Cricket Tournament for the Deaf held on November, 2010 which won the honours and was adjudged the winner. Our members put up a spirited show. They really deserved top honours.

41st Delhi Games of the Deaf

This, the most important and eagerly awaited event of the year, saw hundreds of deaf children and adults assembled on a chilly 7th February, 2014 morning in the prestigious Jawahar Lal Nehru Stadium, New Delhi, the regular venue of Delhi Games of the Deaf organized by the Association annually since 1985. Almost 400 participated. As many as a dozen institutions and organizations were represented at this meet which is drawing more and more participants year after year.

3rd Northern Interstate Cricket Tournament for the Deaf

Association organized 3rd Northern Interstate Cricket Tournament of the Deaf in 3-5 March, 2010 at C.C.S.C. Sports Board Complex, Vinay Marg, New Delhi. Teams from Delhi, Uttar Pradesh, Haryana and Punjab participated. Delhi lifted the winners cup with Uttar Pradesh Second runners up.

Financial Crunch

The Association is committed to sports promotion. This should be evident from the fact that despite serious financial crunch, it goes on organizing different event, if anything on larger scale. Shortage of funds has never cramped Association's style.

We thanks M/s RITES Ltd., ONGC, PETRONET LNG Ltd. For sponsoring the 41st Games of the deaf.

It is fortunate that Association has some well-wishers. Also extra efforts are made to mobilize funds.

Our moto is "Show must go on" – Affiliation or No affiliation.

The answer to climate change, is change.

Change, from the way we now produce and consume energy to a greener mix of oil and coal powered energy coupled with the use of natural gas as an energy source. Natural gas emits an estimated 40-70% less carbon dioxide than other fuels, reducing the growing pressure on our ecosystem. Moreover, LNG results in virtually no atmospheric emissions of sulphur dioxide and particulate matter. Petronet LNG is leading this change for a better environment by continuously striving for doing things the greener way.
