**Chairman,
Organizing Committee's Message**

Sports & Games play an important part in the development of a person's personality. These ensure physical growth and contribute in a big way to the health and well-being of a person.

Our Association has, therefore, been placing utmost importance on sports and games. In fact from its very inception, Association has been organizing, periodically, sports meets and championships for various games.

It is, thus, keeping up its tradition by organizing 41st Delhi Games of the Deaf on 7th February, 2014 at Jawaharlal Nehru Stadium, New Delhi.

I am confident that participants will put up a good show and win laurels. I wish them all success.

Unhappily, as I shall be out of country on these days, I shall miss this event, but my good wishes will remain with participants.

Games and Sports are the elements which harness energy. And this energy makes the human beings functional in a big way. Alas though the need of energy is immense, it is not available in adequate quantity.

Therefore, efforts must be made to organize sports and games as often as possible so that advantage can be taken of the right opportunity. Alas all that sports and games organized are just for one or two days in the year. A drop in the ocean.

Therefore, efforts have to be made more than ever before to organise sports and games and to earn laurel. By doing so health will improve, energy will be generated and sports Men and Women will laud their efforts.

Our Association is doing its best to ensure that sports and games earn honours and prizes and shall not rest on laurels that we earn.

Our activities are varied. This will be clear from the diverse reports that are listed in these papers. Here, it is stated that Association takes interest in games for children as well as adult Occasion provide there such opportunities, like our 42nd Delhi Games of the Deaf.

First all tiny tots take place, such as spoon race, sack race, 50 mtr. race etc.

While the adults have come in good number their sports activities are of a different grander number. Those are 100m. baton repay race 100m race, shotput, 400m race also 400m relay race, three leg race etc.

All children as well as adults enjoy the spectacle from the visited gallery.
