Hony. Sports Secretary

The Jawaharlal Nehru Stadium, New Delhi was filled with great zeal, excitement and frolicsome atmosphere on Saturday, the 11th February 2017 as we conducted the Sports Extravaganza for the hearing impaired – The 44th Delhi Games of the Deaf More than 300 children and adults participated in a number of events.

It is a matter of great pride for us that despite very limited resources, relying entirely on voluntary work, we have been able to hold the Annual Games successfully year after year.

In addition to its advocacy work, skill development of the hearing impaired, helping them gain employment and retain it, sports has been an integral part of the work of the Delhi Association of the Deaf. Participation in sports leads to learning spirit of competition, cooperation and coordination - all at the same time. Besides this sports have a great therapeutic value both for the body and mind.

Besides holding Annual Games without a break, the Association holds coaching camps and facilitates participation of its members in various sports events across the country at its own cost. It is a matter of pride for us that our team won the All India T 20 Championship held at Secundrabad in August 2016.

Besides members and office bearers of the Association, I take this opportunity to thank all the advertisers and sponsors without whose generous support it would have been impossible to hold games

Conquering Newer Horizons

With a legacy traversing three centuries from the successful commercial discovery of crude oil at Digboi in 1889 and Independent India's first oil field in Naharkatiya - all in the north eastern state of Assam - Oil India Limited was born on 18th February, 1959 to increase the pace of exploration in Northeast India.

Dogged determination of some of the finest oil & gas explorers and a committed workforce has enabled OIL to expand its pan India presence and spread its wings overseas with footprints in countries such as Libya, Gabon Nigeria, Sudan, Yemen, Venezuela, USA, Bangladesh, Mozambique, Russia and Myanmar.

Today, as a Navratna PSU, Oil India Limited is fully committed to achieve the co-created vision of becoming "the fastest growing energy company with Global Presence" with special emphasis on carrying out its duties as a responsible corporate citizen.

SPORTS IS ALL ABOUT INCLUSION

Sports have the unique power to attract, mobilise and inspire, thus enabling inclusion and sustainability. Building on this ethos, IndusInd Bank proudly launched its non-banking sports vertical '**IndusInd For Sports**' in April 2016 with an aim to bring out the sportsperson in everyone.

OUR INITIATIVES FOR SPORTS INCLUSION

The Para Champions Programme

IndusInd Bank partnered with the GoSports Foundation to launch the '**Para Champions Programme**' with the goal of making a visible impact in the lives of 18 para athletes. These para athletes represented India in the 2016 Rio Paralympics and made the nation proud by bringing home 3 medals.

The World Champions Programme Cricket for the Blind

IndusInd Bank has adopted the entire Indian Blind Cricket Team consisting of 26 visually impaired players by providing support and infrastructure necessary to practice and excel in this sport. Further, the Bank will organise year-long cricketing events in association with Cricket Association for the Blind in India (CABI), including the T20 World Cup Cricket for the Blind 2017.
