Chairman, (DAD)

**Chairman,
Organizing Committee's Message**

Sports & Games play an important part in the development of a person's personality. These ensure physical growth and contribute in a big way to the health and well-being of a person.

Our Association has, therefore, been placing utmost importance on sports and games. In fact from its very inception, Association has been organizing, periodically, sports meets and championships for various games.

It is, thus, keeping up its tradition by organizing 45th Delhi Games of the Deaf on 17th February, 2018 at Jawaharlal Nehru Stadium, New Delhi.

I am confident that participants will put up a good show and win laurels. I wish them all success.

Unhappily, as I shall be out of country on these days, I shall miss this event, but my good wishes will remain with participants.

Hony. Sports Secretary's Report
We March on Undeterred

Those who thought that by withdrawing affiliation from our Association, our sports activities would come to a standstill have miscalculated our commitment and enthusiasm for sports. Not only has the Association been active in the field and maintained earlier standards and facilities but has spread its wings by organizing Zonal meets and is now poised for a debut on the national stage by hosting all India level events.

During the year under review, our Association continued to arrange games for our members on Sundays and holidays and provide them all possible help and assistance. Apart from this regular feature, Association has been very active and participated/fielded its teams in some of the following events:

21st NATIONAL GAMES OF THE DEAF, CHENNAI.

The association's team participated in 21st National games at the deaf held at Chennai in 26-31 March 2017 out players won various prizes at the event & keep high name of our association.

14th Chess Tournament of the Deaf

Silent Sports Promotion Society, a sister organization held the 12th Chess Tournament of the Deaf at New Delhi in November 2017. A large number of our members participated and our team won the team championship and our member IInd DAD was adjudged the best player of all.

Delhi Cricket Association of the Deaf Tournament

The Association took part in the tournament of Delhi Cricket Association of the Deaf held in Nov, 2017 also but were beaten by the team of Govt. Lady Noyce Sec. School for the Deaf Victory or defeat being the honours of the game, defeat was taken with good grace.

45th Delhi Games of the Deaf

This, the most important and eagerly awaited event of the year, saw hundreds of deaf children and adults assembled on a chilly 17th February 2018 morning in the prestigious Jawaharlal Nehru Stadium, the regular venue of Delhi Games of the Deaf organised by the Association annually since 1985. The Enterprise of Reimagination

The Fruits of Industry

How India's largest private enterprise reimagined a barren land into the world's largest refining hub and Asia's largest mango orchard!

For all others, it was just a barren land. For us it was earth waiting to be developed. While the refinery was a game-changer for the Indian economy, the mango orchard with over 100,000 trees provided an attractive livelihood for people in the area. It helped build a green belt that became the abode of flora and fauna. Along with Government organisations, we run the National Centre for Marine Biodiversity at Jamnagar. We work with various reputed organisations and sponsor the conservation of the Olive Ridley turtle in the Bay of Bengal.
